Please contact your zone captain if you need any help

Who are we?

We are the Deddington and Parish Covid-19 response team – a group of local volunteers who are prepared to help everyone in the villages.

We know that there are now a number of people relying on this local help – please rest assured that it will continue for as long as there is a need.

Please call us if you need help or information.

As we enter a more relaxed phase of the pandemic, we thought you might be reassured to know that the Zone Captains have reported that all is quiet on their patch. We are blessed to live in a rural locality where people have taken the situation seriously which reflects on the very low incidence of illness here. Keep safe...
