The 2025 Parish Show Apple Cake Recipe

Age Group 9-11 Years

Ingredients

225g butter softened, plus extra for greasing

450g Bramley or sharp apples

Finely grated zest and juice of 1 lemon

225g caster sugar, plus extra for dredging

3 large eggs

225g self-raising flour

2tsp baking powder

25g ground almonds

1 tbsp Demerara sugar

1. Preheat oven to 180 / fan160 / Gas 4. Grease a 23/24cm spring form cake tin and line with baking paper. Peel, core and cut the apples into 1cm pieces and toss in lemon juice.
2. Cream together the butter, caster sugar and lemon zest until pale and fluffy. Beat in the eggs, one at a time, adding a little flour with each addition to keep the mix smooth.
3. Sift the remaining flour and the baking powder into the bowl and fold in with the ground almonds. Drain the apple pieces well, then stir into the mix.
4. Spoon into the prepared tin, level the top and sprinkle with the Demerara sugar. Bake in the oven for one hour or until well-risen (cover with baking paper at about 45 minutes if it starts to brown too much). After removing from the tin, dredge with caster sugar.
